

The seventh, annual Camberley Car Show which is hailed as Camberley's 'Event of the Summer' took place on the main streets in and around Camberley Town Centre on Saturday 18th August and, once again, it proved to be another very successful day!

The Car Show raises much needed funds to help aid research into Kidney Disease and Diabetes. The total raised by this year's Event (to date) is **£8,815.50** with every penny raised donated to this cause.

A huge 'thank you' is due to the many vehicle owners and drivers who generously give up their time and at their own expense, bring such a fantastic selection of vehicles along - without them we simply couldn't hold the Show!

Over the past seven years the Car Show has raised the grand total of **£50,728.43** for The Kidney Fund.

Thank you to this year's 'official sponsor' **Knights Property Services** and to other local businesses who 'sponsored' a number of the cars on the day with again the sponsorship money going to the Kidney Fund. Sponsored display vehicles had the sponsor's names/logo displayed on their wind-screens.

Thank you also to '**Bella Italia**' who sponsored the 'F1 Jordan' race car, **The Arena Leisure Centre** for sponsoring 'Lightning McQueen and to **Higherground Flooring Ltd** for sponsorship of The Batmobile.

Thank you to everyone who came along on the day to Camberley's 'Event of the Summer' and put donations into the many collection tins and buckets on-hand, every penny of which went to aid Kidney and Diabetes Research.

Of the money raised to date £4,510.50 went to 'The Kidney Fund' (Reg. Charity No. 800952) and 'Sporting Bears' who generously support children's charities through their 'Dream Rides' scheme, on the day raised £3,375.00 for The Kidney Fund's 'Kid's Kidney Research'.

Finally, on behalf of the Kidney Fund, grateful thanks is due to the Directors and Staff of 'Collectively Camberley' who as always, play a major part in the Event by providing considerable time and sponsorship in the overall organisation, preparation, promotion and marshalling of the Show on the day, their contribution is invaluable.
